Authorized Body 204

Empowered by the Decision of COSMT No. 5/2017 of 31/1/2017

Branch Office 0300 – Pilsen

PRODUCT CERTIFICATE

No. 204/C5/2017/030-054518

In compliance with the enactment of Article 5 of the Government Decree No. 163/2002 Coll., that lays down technical requirements for selected construction products, as amended by Government Decree No. 312/2005 Coll. and by Government Decree No. 215/2016 Coll., it is confirmed, that in case of the construction product

Sewerage Fire Barrier

Profile I, III, V and VII

manufacturer:

CS – BETON s.r.o.

INo: 47287586
address: Velké Žernoseky 184, 412 01 Litoměřice
plant: CS - BETON s.r.o.
order: Z030170017

the Authorized Body has reviewed documents submitted by the manufacturer, performed the initial type-testing of the product sample, performed the initial inspection of manufacturing plant, assessed factory production control and has stated, that

- this product fulfils the requirements derived from related essential requirements given in the above mentioned Government Decree and detailed in the National Technical Approval:

NTA 030-054532 of 03/03/2017 with supplement No. 030-055407 of 25/07/2017, issued by Authorized Body 204 with effect until 03.03.2020.

- the factory production control complies with technical documentation and ensures that products put on the market meet the requirements laid down in the above mentioned National Technical Approval and comply with relevant technical documentation according to Article 4 Clause 3 of the above mentioned Government Decree.

The Product Certification Report No. 030-054517 of 07.03.2017 and the Surveillance Report No. 030-055408 of 27/07/2017 containing the conclusion of the findings, assessments, test results and description (eventually sketch) of the product necessary for its identification is to be considered as an integral part of this certificate.

This certificate was first issued on 7 March 2017 and remains valid as long as the requirements given in National Technical Approval referred to hereinabove or the manufacturing conditions in the factory or the factory production control itself are not modified significantly, unless suspended or withdrawn by the Authorized Body.

The Authorized Body performs at least once a 12 months the surveillance of proper function of the factory production control at the manufacturer, selects samples at the factory and performs an audit-testing of samples to assess whether the characteristics of the product comply with the National Technical Approval according to Article 5 Clause 4 of the above mentioned Government Decree. The Authorized Body shall issue a report on the evaluation of surveillance and forwards it to the manufacturer.

The person taking overall responsibility for this certificate:
